Health and Safety Policy

Our Policy:

Matherson Crane Hire is fully committed to achieving the highest standard of safety performance, by creating and maintaining a safe work place for all personnel associated with the business's activities.

Matherson Crane Hire is committed to:

- Compliance with all relevant legislative requirements including regulations, standards and codes of practice, and where appropriate legislative requirements do not exist, implement standards that reflect the company's commitment to safety and health.
- Providing adequate personal protective equipment (PPE) to carry out the required tasks.
- Providing safe systems of work to minimise the risk of injury to personnel.
- Identifying work place hazards and providing a system of hazard control to ensure work areas and equipment are safety maintained.
- Providing a system of continuous improvement in safety and health performance through ongoing monitoring, auditing and review of our safety, health and environment management systems.
- Communicate openly with employees and the government on occupational health and safety issues; ensure that all employees, contractors and visitors are informed of and understand their obligations in respect of this policy.

The employer is responsible for providing policies, safe work practices and procedures, safe and fully maintained tools and equipment and Personal protective equipment and like items.

All employees are responsible for protecting the health and safety of themselves and fellow workers. Employees are expected to follow safe work practices, report workplace hazards, wear appropriate PPE, and report incidents and near misses immediately.

All employees have the right, and obligation to cease work immediately if they believe the workplace is unsafe.

Every employee of Matherson Crane Hire is encouraged to contribute to the improvement of the company's safety system.
